

3000 PREMIERE SERIES DEALER ONLY

Available in black, red, or white, the C-3000 Premiere POU Series is offered in classic stand up and compact countertop models. They feature a sophisticated filtration system that contains multiple stages that provide clean purified water, and stainless-steel tanks to maintain water temperature. The C-3000 Premiere Series also has a high-quality LG compressor, large dispense point for easy refills, and a faucet that can withstand 400 lbs of pressure. It is the workhorse model of the Brio line-up.

Easy to Clean

Made with durable and easy-to-clean materials.

Child Safety Lock

Hot water safety lock keeps the family safe from accidental burns.

Large Dispense

Easily refill mugs, glasses, and sports bottles.

Sleek & Compact

The C-3000 Series features a curved design, high-gloss finish, and a 17" height that fits under most cabinets.
